White Leather Swatchbook

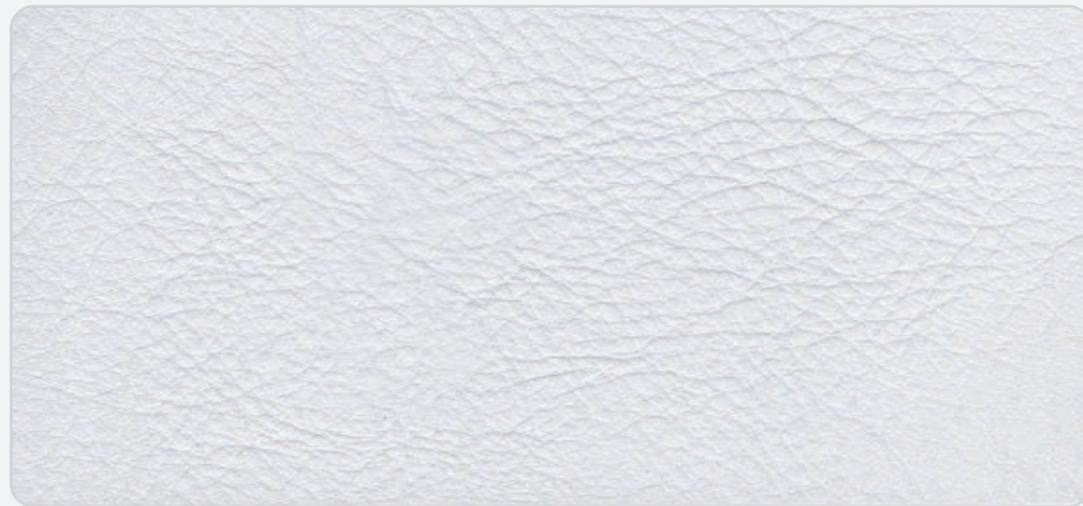

A collection of golf equipment is displayed on a white surface. In the foreground, a pair of white and tan leather golf shoes with laces is prominently featured. Behind them, a golf bag is visible, partially open, showing a white mesh interior. To the left, a golf club head and a white golf ball are positioned. The background is a plain, light color.

Beautiful white leathers from ISA TanTec are designed based on advanced seasonal, lifestyle and trend analysis in athletic, casual and outdoor styles. These tannages will meet the needs of different age groups, genders and activities. The finest white leathers offer your footwear an exclusive look and comfort level that will add value to your products.
