MINIMUM ORDER QUANTITY POLICY

development stage

NO MOQ REQUIRED

Development samples will be a “lab dip” using pearl crust. Cross cut will be a wet blue center. Lap dip samples are for “look / see” purposes only and are not to be used for performance testing.

salesman sample + bulk

1,000 SQF MOQ

Applies to all new color requests or “inactive” lace colors. 1,000 sqf equates to approximately 10,000 pairs based on 3.2mm x 40”.

SURCHARGE OPTION

If MOQ is not accepted, we will offer a surcharge option of @price per lace x3 to cover excess inventory costs.

Contact your account manager with further questions.
