

ISA

Sustainable Trims

*ISA TrimTec specializes in trims
for apparel, bags, shoes and Furniture*

Under one tannery roof, we also operate a leather trimming division, ISA TrimTec, which specializes in trims for apparel, bags and shoes. ISA TrimTec offers customized technology options including debossing, embossing, foiling and printing as well as special finishing. We strive for value by adding to the supply chain in terms of manufacturing diversity, cost efficiencies, fast delivery and risk free RSL performance.

Advantages of Partnering with TrimTec

- **LITE Concept**

ISA LITE index provide water and energy savings rates for every leather or label.

- **The Most Advanced RSL System**

ISA works with its partners in the chemical industry to eliminate or significantly reduce the chemicals we believe are potentially problematic in the future from the supply chain, without sacrificing the performance of our leather. This system along with the Restricted Substance List, applies to ALL of its products, for ALL of its customers, at ALL times.

- **Top Rated Traceability to The Meat Processing Facility**

All leathers used in label production can be traced to the meat processing facility. ISA only purchases raw material from LWG Gold rated tanneries.

- **Quality and Consistency / Consistency within All Production Locations**

Stable material supply base from LWG Gold rated tanneries, 100% internal finish label inspection, and control over the entire supply chain.

- **Vertically Integrated Production**

Producing labels full cycle from wet blue to the finished label ensuring a high rate of label and leather availability.

- **Global Brand Base**

Clients are famous brands worldwide.

- **Multi-Level Selling**

ISA works with all types of companies include international brands, trading companies and direct garment manufacturers.
